

Accessing Course Reserves

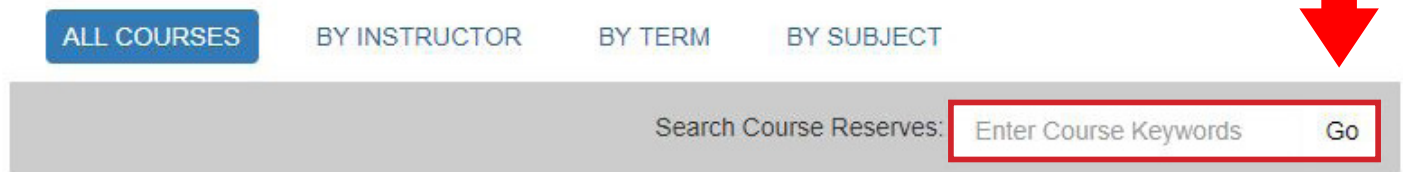

1. Go to the McKillop Library homepage at library.salve.edu. Under **Quick Links**, click **Course Reserves**.
* If accessing Course Reserves from Canvas, skip to step 4 on next page.

2. By default, the **All Courses** tab will be selected, and all courses on reserve will be visible. Courses on reserve can also be viewed by **instructor** or by **subject** (eg. English, Biology, etc.).
Scroll to your course, or search for your course by **course number** (eg. GST450 or GST 450), **course name** (eg. Capstone), or **instructor's last name**. Click **Go** and select your course from your search results.

Course Reserves

Find course reserve materials by course number, course name, or instructor.

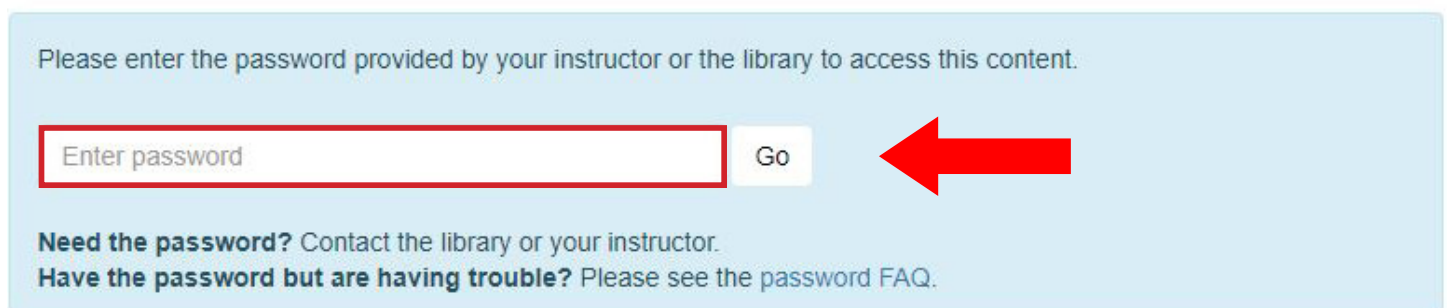

Showing 1 Courses

3. If prompted to enter a password to access your course, enter the password provided by your instructor.

SCI100 - Saving the World with Science / Nye, Bill / 2019-2020 Fall

Flip me over for more information

4. All **physical and e-reserve items** will be listed on the left. Any **related LibGuides** will be listed on the right.
